## Bart van den Belt - Circle of Business

### How to Create Sustainable Growth

ENTREPRENEURSHIP | ORGANIZATIONS | STRATEGY | SUSTAINABILITY

This book is for you if you're ready to take your business to the next level—in a way that brings calm and clarity instead of chaos.

Are you an entrepreneur who wonders if you are really in control with your business? Maybe it feels like you're always micro-managing when you really want to work with calm and clarity. Sounds familiar?

In *Circle of Business*, Bart van den Belt offers step-by-step principles to turn your business into a flexible and profitable system. A system where processes run smoothly, your team is motivated, and your customers are enthusiastic. This book isn't just theory—it's a practical guide full of insights and personal experiences that you can apply right away.

With years of experience as an entrepreneur and business coach, Bart shows you how your business can grow without you being trapped in the daily grind. Whether you're just starting your entrepreneurial journey or are already managing a team, *Circle of Business* provides you the tools to reach the next level. This book not only offers a clear plan, but it also inspires you to take leadership over your business and yourself. It helps you work confidently on building an organization that's ready for sustainable growth.

*Circle of Business* was born out of Bart van den Belt's unique journey from the theater world to the business arena. Leveraging his background in performance and storytelling, Bart has inspired countless entrepreneurs to take charge of their businesses and lead with confidence. Over the years, he has founded several companies and has written several books, all with the same goal: to guide entrepreneurs toward a life and business that energizes them.

Bart's practical no-nonsense approach to coaching is the backbone of *Circle of Business*. He combines his expertise in psychology, leadership, and entrepreneurship to deliver result-driven coaching that goes beyond theory. Through his books, workshops, and one-on-one coaching, Bart has become a trusted advisor for business leaders across the Netherlands.
