Charlotte Van Brabander - FIRE: Financial Independence, Retire Early

How to Stop Working at a Young Age

FINANCIAL MANAGEMENT | PERSONAL DEVELOPMENT

A good financial planning ensures a financial freedom. The low interest rates on our savings, the high inflation, the insecurity about our pensions, and the rat race we are in all make this more important than ever. If thinking and talking about money is still a taboo for you, you will lack the necessary knowledge and have the wrong mindset about money. But a financial background will give you the highest return on investment and your financial health is just as important as your physical or mental health, regardless of your budget or income.

In *FIRE*, Charlotte Van Brabander shares her own experiences on planning the road towards financial freedom. *FIRE* means Financial Independence, Retire Early, and this book will improve your relationship

with money will improve. You learn how to map out a clever financial plan and how to invest and save successfully. This makes you financially independent and enables you to retire earlier than you used to think.

‘We spend a lot of time and money on our physical and mental health. Unfortunately we don’t spend enough time on our financial health. But this determines our lives and the quality of it. *FIRE* demolishes financial taboos and improves your relationship with money.’ – **Charlotte Van Brabander**

To be published in March 2022 | Paperback | ca. 192 pages | ca. 40,000 words

- Dutch edition published by Borgerhoff & Lamberigts
